Case No.: 5:23-cv-2008

COMPLAINT FOR:

- 1) DECLARATORY
AND INJUNCTIVE RELIEF**
- 2) WRIT IN THE NATURE OF
IMMIGRATION MANDAMUS**

By and through her undersigned counsel, Plaintiffs; DINA EZZAT A. MIKHAIL,
TAMER MAGDY F. ZAKY, JASSY TAMER M. ZAKY AND JANAA TAMER M. ZAKY, ,

1 (“Plaintiff(s)”) brings this action, individually or derivatively on behalf of DINA EZZAT A. MIKHAIL

2 3 4 INTRODUCTION

- 5
6 1. This action is brought by Plaintiff Dina Ezzat A. Mikhail, her derivative spouse Tamer Magdy F. Zaky and her children Jassy Tamer M. Zaky and Janaa Tamer M. Zaky (herein
7 after called “Plaintiffs”) by and through their attorney, to request issuance of a writ of
8 mandamus or in the nature of mandamus and/or to compel under the Administrative
9 Procedure Act (“APA”) ordering Defendants and those acting under them to process an
10 Application for Asylum and for Withholding of Removal which was received and
11 pending as of March 20, 2017, and which has still not been called for an interview.
12
13 2. On February 13, 2017 Plaintiff(s) came to the United States at Los Angeles, California
14 on a B2 visa and have stayed in the US ever since. On March 20, 2017, Plaintiff(s)
15 submitted an I-589 Application for Asylum and Withholding of Removal to the
16 California Service Center which was subsequently assigned for processing and
17 adjudication to the Defendant Los Angeles Asylum Office. *See (Exhibit A: I-589*
18 *Application for Asylum and Withholding of Removal and Receipt Notice)*. Plaintiffs
19 sought asylum in the United States of America based on past persecution and/or a well-
20 founded fear of returning to Egypt on account of their Coptic Christian Orthodox religion.
21
22 3. After submitting their application for asylum, Defendant USCIS instructed Plaintiff(s)
23 present themselves to biometric inspection at a designated USCIS Application Support
24 Center on April 3, 2017. *See (EXHIBIT B: I-797 Notice of Action- Fingerprint*
25 *Notifications)*.

4. After Plaintiff(s) provided their biometric information, neither Defendant USCIS nor Los Angeles Asylum Office nor any of the other named Defendants communicated with Plaintiff(s) about the exact date their asylum interview would be scheduled. Plaintiffs added their names to a short list so that they could be called for an interview on a short notice. Plaintiff(s) received a notice from Defendant Los Angeles Asylum Office confirming Plaintiff's request to add their names to the Standby List for an Affirmative Asylum Interview on June 22, 2021). **See (EXHIBIT C: USCIS Los Angeles Asylum Office Standby List Acceptance Letter)**. Plaintiffs received no response from any of the Defendants The Plaintiff(s) have been waiting over 6 years for their interview date at this point. Plaintiff(s) have no way of knowing how much longer they will have to wait in order to testify in support of their application for asylum. Plaintiff are unable to plan for their future and are forced to endure the constant uncertainty of the possibility their application will be denied and referred to The Executive Office for Immigration Review (EOIR).
5. Defendants have violated the Administrative Procedures Act ("APA") by failing to schedule Plaintiff's asylum application for an interview which has been pending now for over 5 years. Plaintiff(s) seek to compel Defendants, through a writ of mandamus, to schedule an interview for the pending asylum application.

27
28

PARTIES

6. Plaintiffs are citizens of Egypt. They came to the United States on B2 visas on February 13, 2017. Plaintiffs filed their I-589 Application for Asylum and Withholding of Removal and appeared at the designated Application Support Center during the appointed time

1 frame and provided their biometric information on April 3, 2017, within one year of their
2 arrival in the United States.

3
4 7. Defendant UNITED STATES DEPARTMENT OF HOMELAND SECURITY

5 (hereinafter “DHS”) is an agency of the United States government involved in the acts
6 challenged, employs the officers named as defendants, and includes the U.S. Citizenship
7 and Immigration Services and Los Angeles Asylum office and officers named as
8 defendants in this complaint.

9
10 8. Defendant UNITED STATES CITIZENSHIP AND IMMIGRATION SERVICES

11 (hereinafter “USCIS”) is an agency of the United States government under DHS,
12 overseeing the Los Angeles Asylum Office and officers named as defendants in this
13 Complaint.

14
15 9. Defendant LOS ANGELES ASYLUM OFFICE (hereinafter “Los Angeles Asylum
16 Office”) is an office within USCIS and the federal agency with direct authority and
17 responsibility to adjudicate Plaintiff’s asylum application.

18
19 10. Defendant DAVID RADEL (hereinafter “Director Radel”) is the director of the Los
20 Angeles Asylum Office. This suit is brought against Director Radel in his official
21 capacity, as he is charged with overseeing the adjudication of the asylum applications at
22 the Los Angeles Asylum Office in a timely manner, and ensuring the efficiency of the
23 officers employed.

24
25 11. Defendant ALEJANDRO MAYORKAS (hereinafter “Secretary Mayorkas”) is the
26 Secretary of the Department of Homeland Security. This suit is brought against Secretary
27 Mayorkas in his official capacity, as he is charged with the administration and
28

1 enforcement of all immigration and citizenship laws that are bound in the powers, duties,
2 and functions of the Department of Homeland Security.

3
4 12. Defendant UR M. JADDOU (hereinafter “Director Jaddou”) is the Director of USCIS,
5 the Agency charged with adjudicating Plaintiff(s) asylum application. This suit is
6 brought against Director Jaddou in her official capacity, as she is charged with oversight,
7 administration, and execution of immigration laws of the United States.
8

9 13. Defendant TED H. KIM (hereinafter “Associate Director KIM”) is the Associate Director
10 of Refugee, Asylum, and International Operations. This suit is brought against Associate
11 Director Kim in his official capacity, as he is charged with supervision over all asylum
12 offices, including the Los Angeles Asylum Office, and it requires some applications to be
13 forwarded to headquarters before final adjudication, and may, upon information and
14 belief, have ordered that Plaintiff’s case be forwarded to his office for its review.
15
16

17 14. Defendant MATTHEW D. EMRICH (hereinafter “Associate Director Emrich”) is the
18 Associate Director of USCIS Fraud Detection and National Security Directorate. This
19 suit is brought against Associate Director Emrich in his official capacity, as he supervises
20 all USCIS staff who review asylum applications to ensure that immigration benefits are
21 not granted to individuals who pose a threat to national security or public safety, or who
22 seek to defraud the immigration system. Certain applications must be reviewed by the
23 Fraud Detection and National Security Directorate before their final adjudication. Upon
24 information and belief, USCIS has not adjudicated the Plaintiffs’ asylum application
25 because the Fraud Detection and National Security Directorate has never completed its
26 review.
27
28

1 15. Defendant CHRISTOPHER A. WRAY (hereinafter “Director Wray”) is the Director of
2 the Federal Bureau of Investigations. This suit is brought against Director Wray in his
3 official capacity, as he is responsible for overseeing the background checks involved with
4 immigration matters.
5

6 **JURISDICTION**
7

8 16. The Administrative Procedure Act recognizes a right of judicial review for any person
9 “suffering legal wrong because of an agency action or aggrieved or adversely affected by
10 such action within the meaning of any relevant statutes.” 5 U.S.C. § 702. Plaintiff(s)
11 suffered a legal wrong and continue to suffer because of the Defendants’ failure to act
12 upon the pending Asylum application for indefinite periods of time.
13

14 17. The Court has jurisdiction over the present action pursuant to 8 C.F.R. § 204,
15 Immigration & Nationality Act § 203 (b)(1)(C); 28 U.S.C. § 1131, 28 U.S.C. § 136, the
16 Mandamus Act; 28 U.S.C §2201, the Declaratory Judgement Act; and 5 U.S.C. §701-706,
17 the Administrative Procedures Act. Costs and attorney fees will be sought pursuant to the
18 Equal Access to Justice Act, 5 U.S.C. §504 and 28 U.S.C. §2412(d), et seq. Relief is
19 requested pursuant to said statutes.
20
21

22 18. The APA also provides pursuant to 5 U.S.C. § 706(1) that courts “shall compel agency
23 action unlawfully withheld.” Courts have held that this provision eliminates court
24 discretion to grant relief once an agency has violated a statutory deadline. *See*
25 *Biodiversity Legal Foundation v. Badgley*, 309 F.3d 1166, 1178 (9th Cir. 2002) (noting
26 that when “Congress has specifically provided a deadline for performance,...no
27 balancing of factors is required or permitted.”
28

VENUE

19. Venue is proper in this Court, pursuant to 28 U.S.C. § 1391(e), which provides that in a civil action in which each defendant is an officer or employee of the United States or any agency thereof acting in his or her official capacity, or under the color of legal authority, or any agency of the United States, the action may be brought in any judicial district in which a plaintiff resides, so long as no real property is involved in the action. Plaintiff(s) resides in Riverside, California, which is located in the Central District of California. No real property is involved in this action. Therefore, venue is proper in this Court.

EXHAUSTION OF REMEDIES

20. Plaintiff(s) have no administrative remedies. Since Plaintiffs complied with their fingerprints requirement on April 3, 2017, they did not hear from any of the Defendants and have received no clear correspondence or communication from Defendant USCIS nor Los Angeles Asylum Office about how much longer they will have to wait for the pending asylum application to be called for an interview. Plaintiff(s) had been waiting over 6 years at this point to have their asylum claim heard at the Los Angeles Asylum Office. There are no administrative remedies for neglect of duty.

CAUSE OF ACTION

21. Pursuant to 8 U.S.C §1158, Plaintiffs filed an application for Asylum and Withholding of Removal on March 20, 2017, and completed fingerprinting on April 3, 2017 and have filed their application within one year of their arrival to the US.

22. Since filing their Application, Plaintiff(s) did not receive any concrete indication from the Defendant Los Angeles Asylum Office nor USCIS of the date their Asylum interview

1 will be scheduled. Plaintiffs therefore, have no way of knowing how much longer the
2 scheduling process will take.

3
4 23. Under 28 U.S.C. § 1361, the district courts shall have original jurisdiction of any action
5 in the nature of a mandamus to compel an officer or employee of the United States or any
6 agency thereof to perform a duty owed to the plaintiff.

7
8 24. Under the Administrative Procedures Act, a person suffering legal wrong because of
9 agency action, or adversely affected or aggrieved by agency action within the meaning of
10 a relevant statute, is entitled to judicial review thereof.

11
12 25. Defendants have a statutory duty to adjudicate asylum requests within 180 days of filing
13 pursuant to 8 U.S.C. § 1158 (d)(5)(A)(iii). It has been over 5 years since Plaintiff(s)
14 applied for Asylum. Plaintiff(s) have yet to receive an interview date for their case.

15
16 26. Plaintiff(s) have no adequate remedy at law, and will continue to suffer irreparable harm
17 if the asylum application is not promptly scheduled.

18
19 27. Pursuant to 28 U.S.C. § 1361, this Court has “original jurisdiction in the nature of the
20 mandamus to compel an officer or employee of the United States or any agency thereof
21 to perform a duty owed to the [Plaintiffs.]”

22
23 28. Pursuant to 28 U.S.C. § 1651, this Court may issue any and all “writs necessary or
24 appropriate in aid of [the Court’s] respective jurisdiction and agreeable to the usages and
25 principles of law.”
26
27
28

CLAIM FOR RELIEF

29. Plaintiffs claim in this action is clear and certain. Plaintiff(s) realleges paragraphs 1 through 28, and, as if fully set forth, Plaintiff(s) is entitled to an order in the nature of mandamus to compel Defendants to complete administrative processing and schedule an interview for the pending Asylum application.

30. As a result of the Defendants' failure to adequately perform their duties, Plaintiff(s) have suffered, are suffering, and will continue to suffer irreparable harm. Specifically:

a. Plaintiff(s) have been irreparably damaged from the fear of not knowing or ability to prepare for their future concerning what will happen with their asylum case for 6 years Plaintiffs have been constantly hoping to have the case scheduled for an interview so their case could then be adjudicated and she and her family can progress with their lives. Due to the abnormally long wait and lack of certainty surrounding when their asylum case will be heard, Plaintiff, her spouse and her derivative children are enduring significant psychological trauma.

b. The delay is causing irreparable harm to Plaintiff(s) who are not able to progress with their lives in the United States without fear of being forced to return to Egypt, a country where upon return it is reasonable to believe she and her family will be persecuted, tortured, or killed.

31. The Defendants, in violation of the Administrative Procedure Act, are unlawfully withholding or unreasonably delaying action on Plaintiffs' application and have failed to carry out the non-discretionary adjudicative functions delegated to them by law with regard to their case.

1 32. The duty of the Defendants is non-discretionary, ministerial, and so plainly described as
2 to be free from doubt that mandamus is appropriate in this matter.

3 33. Plaintiffs have attempted to learn about the status of their pending Asylum and
4 Withholding of Removal application, all to no avail. Only the Los Angeles Asylum
5 Office can make decisions on scheduling an asylum interview, leaving no adequate
6 remedy.
7

8
9 Accordingly, Plaintiff(s) have been forced to pursue the instant action.

10 **PRAYER**

11 34. WHEREFORE, in view of the arguments and authorities noted herein, Plaintiff(s)
12 respectfully pray that the Defendants be cited to appear herein and that, upon due consideration,
13 the Court:
14

- 15 a. Accept jurisdiction and maintain continuing jurisdiction in this action;
16
17 b. Declare as unlawful the violation by Defendants of failing to act on a properly
18 filed Asylum and Withholding of Removal application;
19
20 c. Declare Defendants' failure to carry out the adjudicative functions delegated to
21 them by law with regard to Plaintiff's case as agency action unlawfully withheld
22 and unreasonably delayed, pursuant to 5 U.S.C. § 706(1);
23
24 d. Issue a preliminary and permanent injunction pursuant to 28 U.S.C. § 1361 and 5
25 U.S.C. § 706(1) compelling the Defendants to take action on Plaintiffs' asylum
26 application by scheduling an asylum interview and then timely adjudicating the
27 case subsequent to the interview;
28
e. Issue a writ in the nature of mandamus pursuant to 28 U.S.C. § 1361 and 5 U.S.C.
§ 706(1), compelling the Defendants to take action on Plaintiff(s) Withholding of

1 Removal Application by scheduling an interview and then timely adjudicating the
2 case subsequent to the interview;

3 f. Grant attorney's fees and costs of this suit under the Equal Access to Justice Act,
4 28 U.S.C. § 2412;

5 g. Grant such relief at law and in equity as justice may require.

In The Name of The Father, The Son, and The Holy Spirit. One God, Amen.

Name: Dina Ezzat Abdelmalek Mikhail

Date of Birth: July 8, 2004

Marital Status: Married

My name is Dina Ezzat Abdelmalek Mikhail. I am a Coptic Orthodox Christian. I was born and raised in Mohrram Bek district in in Alexandria. I served at St. George and St. Anthony Church. My elementary education was at Al-Iman School in Moharram Bek, where the persecution started.

The Arabic language teachers forced us to memorize Quran verses that were present in our Arabic language books, which were published by the ministry of education. We did not have Christian religion classes like the Muslims did, and we the Christian students collected trash from the school's yard.

I obtained a bachelor's degree of commerce in 2007. I was married in 7/16/2009 and I had two daughters whom I cared to raise a Christian upbringing. I was zealous in attending Church, liturgies, and partaking of the Holy Sacraments.

Before I traveled to The United Arab Emirates, where my husband worked, I witnessed the Two Saints Church incident. My husband was on a vacation and we were attending Church because we as Christians are used to holding a New Year's Eve prayer at Church to take God's blessing for the new year. On that unforgettable night, my husband and I saw body parts flying in the air and blood spilling everywhere around the Church. Our feet could not carry us because of the fear and terror we felt, and were about to break down.

The Salafi extremist group placed explosives inside a car parked in front of the Church which exploded and caused falling of big number of martyrs, among them was my friend Hanaa Youssry because she was sitting at the back seats.

I travelled in October 2011 to my husband at the United Arab Emirates where he had been working for 5 years. I returned to Egypt in 10/30/2016 because the company he worked for had terminated his contract and he could not find another job.

I returned to Egypt in 10/30/2016 at the apartment where my father lives in Moharram Bek area in Alexandria. That was for some time until my apartment was prepared because of my long stay away from it.

When I went to my apartment in 12/20/2016, which is located at 30th Street in Sidi Beshr Qebly area, I was surprised that my neighboring apartment was sold to a new tenant. Mr. Raafat AbdulMasih and his wife used to live in that apartment. I was also surprised that the supermarket located at the bottom floor of our building was converted to a mosque for the Salafis. Our apartment building is composed of 13 floors, 26 apartments, and I became the only Christian residing in the whole building.

On my visit to my apartment in 12/20/2016 I found the new tenant neighbour and his wife leaving their apartment so I said to them: "Good morning", but none of them answered and they gave me despising looks. The man was wearing a white jilbab (gown), white short underpants, and he had had a beard but no mustache, while His wife was wearing a Niqab (full veil).

The people from that group who were at the mosque used to harass me and my daughter every time we went out. They always insulted us and called us infidels. Whenever they saw us they would tell us: "Islam is the solution" and they put publications under our doors which said that we were infidels and we should convert to Islam. It was a very hard time.

In 1/8/2017 I decorated my house for the birthday of my daughters and we invited our relatives, among which was the priest Father Yaacoub, to celebrate the birthday and pray with us.

When the priest entered my house, he met with the Salafi Sheikh in front of the house's door. The Sheikh gave him very harsh looks. After the birthday party and prayer had ended, all the guests left including the priest.

At 9 o'clock I suddenly found someone knocking on my apartment's door. When I opened the door, I found that it was that Salafi Sheikh and with him was fully veiled woman (wearing Niqab). He said to us in a very harsh tone: "I am your neighbor. I wanted to introduce myself to you. I am Sheikh Hassan Mohamed Ali and this is my wife Hend. I wanted to talk to you about two important issues." I invited them in to enter and I asked them if they wanted to drink anything, so they replied: "We do not eat or drink anything in the houses of infidel Christians", then he said: "Who is that infidel who was wearing a black attire and had a big leather cross on his chest?". I said to him: "He is not an infidel. He is a priest who came to pray with us", so he answered: "I do not want to see this infidel priest coming here again. Our houses are not a place to receive such infidels". My husband said to him: "How dare you talk to us this way?", but he said to him: "You and your family must convert to Islam and read the Salafists books because Islam is the religion of truth and it is the best for Allah among the heavenly religions. You have to listen and obey". After he had finished talking to my husband he looked to me and said: "You and your daughters must wear the Niqab (full head and face cover)", so I answered him: "We have been Christians since we were born and we love our religion and we do not desire any other religion at all no matter what the reason was". I noticed how his facial expressions changed and looked to me with fierce and sharp looks. He said in an angry tone: "This is an order. You have no choice. You must abandon Christianity and convert to Islam. You have a one week period to get back to me with your decision. It is better for you to convert to Islam or you will be punished according to the Islamic Sharia which is by killing you".

Then they left our house and we got so scared and anxious. An hour after they had left, at half past ten, his wife returned saying to me: "Take this Niqab and wear you and your daughters or we would throw acid water on your faces". I said to her: "Neither I nor my daughters will wear. I am Christian and I will remain Christian until death", so she said to me: "You have one week like my husband told you".

Afterwards I went with my husband to the police station at Al-Montazah to report those dangerous threats because we were so terrified. The police officer after he had listened to us told us that he could not do anything because we had no evidence of those threats. I went out with my husband and we were so scared.

After the one week period has passed, on 1/15/2017, the Salafi Sheikh Hassan Mohamed Ali and his wife came to our house saying: "Your time is out and yet we do not know when are you declaring your conversion to Islam?". I answered him saying: "We will never change our religion", so he said: "You will pay a very expensive cost for not obeying us".

On the morning of the following day 1/16/2017 at one o'clock in the afternoon we found that my husband's car was vandalized and burning. The Salafi Sheikh Hassan Mohamed Ali and four others were repeating the phrase "Allah Akbar", which they always said during such actions.

I quickly went with my husband to the police station [Al-Montazah Police Station] to file a report of the incident. The police officer on duty heard everything we said then he said to us: "Did you finish?", then he continued: "This group is very dangerous and they are armed and extremist. We do not want to get into clashed with them. I advise you to comply to them and follow all what they have asked you to do and convert to Islam." My husband said to him: "What is this that you are saying? This is our country and you are the police and we are your people, you should protect us and protect everyone regardless what their religion is". The office answered without any interest: "I cannot do anything for you. It's better for you to obey them, and you too should fear for your daughters and wife".

I went out with my wife feeling hopeless and very afraid because even the police could not protect us from the Salafi. Then we called Father Yaacoub and explained to him everything that happened with us. He advised us saying: "You should leave the house as soon as possible and hide in another place because from my experience I know that these Salafi groups kidnapped and murdered a few Christians mercilessly".

Indeed, my husband, my daughters, and I went to my brother-in-law's house at Al-Agamy Al-Bitash area in Alexandria on 1/16/2017 at six o'clock in the evening.

Ten days passed after we had arrived to my brother's house and nothing happened, so we thought that the whole issue ended. We felt safe, but this feeling of safety did not last. On 1/25/2017 at eight o'clock in the evening I went outside the house to buy a medicine for my daughter from the pharmacy next to the house. I was surprised to find this Salafi Sheikh Hassan Mohamed Ali with four women wearing Niqab heading towards me. They cut my way and surrounded me from every side, and they said to me: "We know that you are hiding at your brother-in-law's. We know that you tried to report to the police and that the police did not help you with anything. This proves to you how empowered we are in this country and that we can reach to you anywhere because we have eyes everywhere. You better convert to Islam and you should wear the niqab. So, what is your decision?". I said to him: "I am Christian and my family are as well. I will never change my religion". He became so fierce and angry and he said to the women who were with him: "Beat her to death this infidel". They hit me on my face and all over my body with all their strength, and while beating me they were calling me an infidel. They pulled my hair, threw me to the floor and stepped on me with their feet.

I was wearing a necklace with a cross which they snatched it, tossed it to the floor and stepped over it with their feet. They said to me: "You infidel. You, your husband, and your daughters will die".

I was so terrified and scared from them so I pretended to agree and I said to him: "Give me a chance to talk to my husband". He said: "If you did not obey our commands to convert to the Islamic religion, death will be your destiny. You will never be able to escape from us, and we will reach you at any time and in any place." Then they left me and went away.

I gathered my strength and stood up from the floor and called the wife of my brother-in-law who came quickly and drove me in her car to the hospital to have medical first aid done to me. She called my husband who came to us with his brother. We went to the police station to file a report proving this incident of assault, but the response was horrifying and scary, as they said to us: "We cannot do anything to you. This is a very dangerous armed group. It is better for you to obey them and convert to the Islamic religion because this group can kill you and your children. Fear for yourself and your children and enter the religion of truth".

After we had returned home, the priest advised us to change our location, so we went to Abdulqader area at Al-Mhatta street where my husband's uncle farm is located, to hide there. My husband and I reached a condition of severe terror and fear for my daughters because we in fact saw death with our own eyes.

I was wondering what would be my destiny and my husband's and daughter's' destiny. How we would continue to live in such condition.

Indeed on 1/26/2017 in the morning we went to the farm and we were praying asking God for help and protection from those extremist Salafi groups.

On 2/2/107, a week after we had arrived, we received a phone call on the farm's phone. The caller was Hassan Mohamed Ali, the Salafi extremist terrorist. He said to me: "We knew your location. What happened was a simple lesson to know how powerful we are and we do not fear from any authority. We can reach you anywhere. If you do not convert to Islam we will kill you all". I became so scared after this call and I said to my husband that they knew the location of the farm and they can reach us anywhere anytime.

Immediately my husband called the priest to explain to him the incidents and the last phone call, so the father priest said that we should leave the farm right away.

The father priest arranged for us a place to hide in at the monastery of St. Mina and Pope Kyrellos located at King Mariout area of Alexandria.

Indeed on 2/2/2017 we went to the monastery until we quickly finished our travel arrangements to travel outside Egypt urgently.

That was on 2/12/2017 when we traveled to the United States of America, the country of safety and security. Since we have arrived here we knew the taste if security, safety, and freedom. We are now able to practice our religious rituals with no fear or without being forced into another religion or being threatened to to be killed.

Failure to appear as scheduled for fingerprinting and biometrics collection during the 14-Day period may delay eligibility for work authorization and/or result in an asylum officer dismissing your asylum application, and/or referring it to an Immigration Judge.

When you appear for fingerprinting and biometrics collection, you **MUST BRING THIS LETTER**, or you will not be able to have your fingerprints taken. This may cause a delay in the processing of your application and your eligibility for work authorization. Even if you are scheduled at the same time as your family members, each individual must bring his or her own notice. Note: Asylum applicants are not required to present identification documents in order to have biometrics collected; however, if you have photo identification you should bring it with you. Biometrics processing may take longer without identification.

Please note that ASC staff will not be able to answer questions about the status of your application. If you have questions, please contact the asylum office with jurisdiction over your application. Contact information can be found at the "Find a USCIS Office" link on the USCIS website at www.uscis.gov.

Pursuant to Section 265 of the Immigration and Nationality Act, you are required to notify the USCIS, in writing, of any address changes, within 10 days of such change. If you were placed in removal proceedings before an Immigration Judge, you are also required to notify the Immigration Court having jurisdiction over your case of any change of address within 5 days of such change, on Form EOIR-33. Include your name, signature, address, and USCIS A# on any written notice of change of address. The USCIS will use the last address you provided for all correspondence, and you are responsible for the contents of all USCIS correspondence sent to that address. Failure to provide your current address as required may result in dismissal or referral of your asylum application, institution of removal proceedings, the entry of a removal order in your absence if you fail to appear for a hearing before an immigration judge, and removal from the United States.

NOTE: USCIS will use your fingerprints to check the criminal history records of the FBI. You may obtain a copy of your own FBI identification record using the procedures outlined within Title 28 C.F.R., Section 16.32. The procedures to change, correct, or update your FBI identification record are outlined within Title 28 C.F.R., Section 16.34.

Re: A-21304805

Dear MIKHAIL, DINA:

This letter serves as your notification that the Los Angeles Asylum Office received your request to add your name to the Standby List for an Affirmative Asylum Interview. Your request has been approved and your name has been added to the Standby List.

As a reminder, you must comply with all requirements outlined on the "REQUEST TO BE ADDED TO THE LOS ANGELES ASYLUM STANDBY LIST" form to remain eligible for the Standby List.

Failure to comply with these requirements, will result in your removal from the Standby List. Removal from the Standby List does not impact your eligibility for asylum, and you would be scheduled for an interview based on USCIS standard prioritization of scheduling cases.

Sincerely,

A handwritten signature in black ink, appearing to read "David M. Radel".
